South Bay High School senior girls, planning to attend four year colleges with national sororities on campus, will be guests of honor at an informal party given by the South Bay Pan Hellenic Council.

## Goldenweds Feted At Gala Reception

The Gardena Elks Club was the setting last Friday evening for a reception honoring Mr. and Mrs. H. G. McColpin, 21926 S. Vermont, who were celebrating their Golden Wedding Anniversary.

Hosting the party were the couple's daughter and her husband, Mr. and Mrs. Robert Loehr of Torrance and their niece and her husband, Mr. and Mrs. Thomas Crenshaw, also of Torrance.

Mr. McColpin, a native of Oregon, and Mrs. McColpin, a native of Wisconsin, both came to California in 1915. They met and were married in Santa Ana on June 16, 1917.

They made their home in Los Angeles until six years ago, when Mr. McColpin retired. He was employed by the government and was a foreman of maintenance at Fort McArthur for many years.

The Elks club was appropriately decorated in the gold and white theme and a large gold and white cake centered the refreshment table. A catered champagne buffet supper was served and the 125 guests danced to music furnished by Edd Whitting and his Melody Men.

Assisting the hosts in welcoming the guests was the honored couple's only grandson, Larry Loehr.

Unable to be present for the celebration were two grandnephews, both of Torrance, Jerry L. Crenshaw, serving with the United States Air Force, and Stephen P. Crenshaw, with the Army.

## Golden Wishes

On their Golden Wedding Day, Mr. and Mrs. H. G. McColpin enjoy their many congratulatory cards, arranged on driftwood, making a "tree of wishes."

## Donate Dolls To Toy Loan

Redondo Beach Dianas' Youth Chairman, Mrs. Wayne Smock, has announced that the Dianas will be donating new dolls, given to them by a local toy manufacturer, to Toy Loan.

From a small beginning in 1938, the North Redondo Toy Loan facility has grown until it now occupies its present location in Perry Park. Almost since that small beginning, the city's junior women's club, the Dianas, have supported it as one of their charitable activities.

The women built the present building for the facility in 1950 and it is now under the supervision of the Recreation Commission. The Dianas still provide part of the maintenance funds for the building.

Upon receiving a borrower's card, children are permitted to borrow a toy for one week. If returned on time and in good condition, the child is permitted to borrow another. After the child has 15 satisfactory marks he may borrow a wheel toy, such as a bicycle, wagon or pedal car. After 20 satisfactory returns a girl may choose a doll to keep and a boy something from the honor shelf. The doll must be brought back three times for a check up to make sure the new owner is being a good mother. The Dianas furnish all the honor toys.

The Dianas are affiliated with the California Federation of Women's Clubs, Marina District, Junior Membership.

## Talking Dolls

Little girls of the Redondo Beach area will now have the opportunity to enjoy talking dolls, given to the Toy Loan by the Dianas. Before delivering the dolls, donated by a local manufacturer, these two Dianas show them to their children. They are, from left, Mmes. Joseph Carrier, holding three-year-old Chad, and Mrs. Albert Rolstead, showing her five-year-old daughter, Brianne, how to pull the string to make the doll talk. Dianas have supported the Toy Loan since 1938.
